

Train Wreck

Oh No! A train has gone off the rails and it's heading for an unsuspecting town. Control the derailed train and reach your destination nothing can or will get in your way.

In this game you destroy as many obstacles as you can, the more you destroy the more points you gain. Hitting certain buildings will give you special abilities such as fire wheels or missiles, to help stop DR.Loco from winning. If you reach the end with less points than DR.Loco you lose.

Blast your way through obstacles with unparalleled speed

Watch out for your rival the evil DR.Loco T Motive.

Target Age: 10 - 18
