DEGREE/CERTIFICATE/MAJOR Web Technology AAS

#### CAREER GOALS

My career goal is to start interning, preferably in the coming year, at a web company and build up my programming portfolio.

#### CHALLENGES TO SUCCESS IN THIS COURSE

I think the biggest challenge in this course will be adapting to the pacing seeing as it's shorter than most of the courses I am currently taking.

#### WHY ARE YOU TAKING THIS COURSE?

The reason I am taking this course is to fulfill a requirement for my college degree and to expand my knowledge of the different aspects of marketing.

DO YOU WORK? NO

If yes, please provide place of employment and number of hours per week:
